## Key Features & Benefits

- **Perfect Medium Texture:** The ideal granule size that holds its shape when cooked, providing a delightful, non-mushy texture that is perfect for traditional Indian dishes like upma and khichdi.
- **100% Natural & Pure:** Made from carefully selected wheat grains with no added preservatives, colors, or artificial flavors. It's pure, natural goodness in every bite.
- **Rich in Fiber & Protein:** An excellent source of dietary fiber that promotes healthy digestion, keeps you full longer, and aids in weight management. A great plant-based protein source for a balanced diet.
- **Sustained Energy Release:** As a complex carbohydrate, it provides a slow release of energy, keeping you active and focused throughout the day and preventing energy crashes.

- **Versatile & Easy to Cook:** Ready to be transformed into a variety of healthy dishes beyond the classic upma, including delicious dalia khichdi, sweet porridge, and soups.
- **Convenient 1kg Pack:** The perfect size pack for individuals, couples, or smaller families. It's great for trying out the product without commitment and ensures freshness.
- **Trust of Swastik:** A product from the house of Swastik, a brand trusted by millions of Indian households for its consistent quality and purity for decades.
