

METHI KHAKHRA 400GM

Here's a concise, customer-friendly version you can use for WhatsApp, signage, or product catalogues:

□ **Swastik Brand Methi Khakhra**

Methi Khakhra - a handmade, traditional Gujarati snack crafted with care. Crispy, aromatic, and wholesome, it blends the authentic taste of fenugreek (methi) with the crunch of roasted khakhra, making it perfect for everyday snacking.

□ **Key Features**

- **Authentic Handmade Taste** - roasted on traditional tawas
- **Premium Quality** - hygienically packed to Australian standards
- **Value Pack** - economical 400g size for families
- **Versatile Snack** - pairs with tea, chutneys, pickles, or yogurt
- **Long Shelf Life** - travel-friendly and convenient

□ **Benefits of Methi (Fenugreek)**

- Rich in **fiber & antioxidants** - supports digestion and metabolism
- Contains **iron & essential nutrients** - boosts energy and wellness
- Traditionally valued in Ayurveda for **blood sugar regulation**
- Adds a **distinct earthy flavour** that enhances the taste of khakhra

□ **Swastik Methi Khakhra** - a perfect balance of **taste, health, and tradition** in every bite.
