## Key Features & Benefits

- **Royal Ingredients:** Includes saffron, rose petals, silver-coated betel nut (chandi ka supari), and nuts for a lavish treat.
- **Digestive Excellence:** Powered by fennel seeds (saunf), ajwain, and cardamom to reduce bloating and enhance gut health.
- **Aromatic Freshness:** Rose and saffron provide a lingering floral aroma that refreshes breath instantly.
- **100% Natural:** No artificial colors or preservatives. Made with natural spices, edible silver, and premium nuts.

- **Textural Grandeur:** Combines crunchy nuts, soft rose petals, and delicate silver-coated supari for a royal texture.
- **Antioxidant-Rich:** Saffron and rose offer antioxidant properties for overall wellness.
