## Key Features & Benefits

- **Authentic Kalkatti Meetha Pan Flavor:** Experience the unique and beloved taste of sweet pan, a classic flavor from the streets of India, combined in a convenient, ready-to-eat mukhwas.
- **Natural Digestive Aid:** Key ingredients like Fennel (Saunf) and Betel Nut (Supari) are known in Ayurveda for their digestive properties. They help stimulate digestion and relieve bloating after meals.
- **Instant Mouth Freshener:** Effectively neutralizes strong food odors (like garlic and onions) and leaves your breath feeling fresh and fragrant with a sweet, lingering aftertaste.
- **Exotic & Aromatic Blend:** A sophisticated mix of textures and flavors,

including sweet fennel, crunchy supari, and a signature sweet coating that delivers the authentic taste of meetha pan.

- **Perfect for All Occasions:** Not just for after meals! Keep it handy for a quick refreshment during the day, offer it to guests as a sign of hospitality, or enjoy it as a tiny sweet treat.
- **Hygienically Processed:** Prepared under strict hygiene conditions, ensuring a clean, safe, and consistent product that you can trust.
- **Trusted Swastik Quality:** A product from the house of Swastik, a brand known for delivering authentic and high-quality traditional products.
