It's the secret to creating the perfect, non-sticky, and fluffy plate of classic **Kanda Batata Pohe**, Chivda, and other delicious snacks. A versatile, gluten-free, and energy-packed pantry essential for every home.

## Key Features & Benefits

- **Authentic Thick Texture:** The larger, thicker flakes are ideal for traditional recipes. They don't turn mushy, absorb flavors beautifully, and provide a satisfying bite in every mouthful.
- **Quick & Easy to Prepare:** Poha is one of the fastest meals to make. A quick rinse, and it's ready to be transformed into a delicious breakfast or snack in under 15 minutes, perfect for busy mornings.
- **Naturally Gluten-Free & Wholesome:** A pure, natural product made from rice, making it an excellent choice for those with gluten sensitivities. It's a light yet energizing food.
- **Good Source of Carbohydrates & Iron:** Provides a quick boost of energy and is a good source of iron, especially when cooked with lemon juice which

aids in iron absorption.

- **Versatile Ingredient:** Beyond the classic Maharashtrian Pohe, use it to make crispy Chivda (mixture), delicious pancakes (poha dosa), desserts (kheer), or even as a binding agent in cutlets.
- **Trusted Quality:** Our poha is processed hygienically to ensure cleanliness, consistency, and a long shelf life, giving you the best quality product every time.
- **Economical 2kg Pack:** The large 2kg bag is perfect for families and regular consumers, offering great value and ensuring you never run out of this breakfast staple.
