Key Features & Benefits

- **Bulk 2kg Pack - Economical & Convenient:** The large pack size offers excellent value for money, reduces packaging waste, and ensures you always have this essential ingredient on hand for all your cooking and baking needs.
- **100% Natural & Gluten-Free:** Made from pure rice without any additives or preservatives. It is naturally gluten-free, making it a safe and healthy staple for gluten-free diets and those with celiac disease.
- **Unmatched Culinary Versatility:** An absolute must-have in the kitchen. Use it for gluten-free baking (bread, cakes, cookies), making Indian sweets (modak, murukku), thickening curries and sauces, and preparing fasting (vrat/upvas) recipes.
- **Ideal for Fasting (Vrat/Upvas):** A sanctioned ingredient during Hindu fasting periods like Navratri and Ekadashi. Used to make farali dishes like vrat ke chawal ka paratha, sabudana papad, and singhare ke atte ka halwa.
- **Creates Perfect Crispy Coatings:** Excellent for dredging foods before frying to achieve a light, golden, and incredibly crispy crust for pakoras, tempura, cutlets, and fish.
- **Natural Skincare Hero:** A key component in Ayurvedic beauty rituals. Used in homemade ubtans (face packs) for its gentle exfoliating, oil-absorbing, and skin-brightening properties.
- **Trusted Krishnakamod Quality:** A brand synonymous with trust and quality, ensuring you receive a consistently fine, pure, and hygienically packaged

product every time.
