Key Features & Benefits

- **Jumbo 5kg Pack - Maximum Value:** The ultimate economical choice for high-volume users. Significantly reduces cost per kilogram and minimizes packaging waste, making it ideal for regular use and commercial purposes.
- **100% Natural & Gluten-Free:** Contains absolutely no additives, preservatives, or artificial agents. It is naturally gluten-free, providing a safe, reliable, and healthy foundation for gluten-free diets and commercial food production.
- **Unmatched Culinary Versatility:** A bulk solution for all culinary needs. Perfect for large-batch gluten-free baking (bread, cakes), making festive Indian sweets (modak, murukku) in quantity, thickening curries, and preparing fasting (vrata/upvas) recipes for the whole family.
- **Essential for Fasting (Vrat/Upvas):** The go-to ingredient for preparing farali dishes during Hindu fasting periods like Navratri. This large pack ensures you have enough for multiple meals throughout the fasting season.
- **Perfect Crispy Coatings in Bulk:** The ideal quantity for restaurants, caterers, or large families who frequently fry foods. It creates a consistently light, golden, and crispy crust for pakoras, tempura, and cutlets.
- **Natural Skincare in Bulk:** A key bulk ingredient for homemade beauty products. Use it to prepare ubtan (face and body scrub) in larger quantities for personal use or small-scale artisanal production.
- **Trusted Krishnakamod Quality:** Even in a jumbo pack, the quality remains

uncompromised. A brand trusted for its consistent fineness, purity, and hygienic packaging.
