## **Key Features & Benefits (Using Bullet Points)**

- 100% Natural & Pure: Made from carefully selected wheat grains with no added preservatives, colors, or artificial flavors. It's pure, natural goodness in every bite.
- **Rich in Fiber & Nutrients:** An excellent source of dietary fiber that aids digestion, promotes gut health, and helps in maintaining a healthy weight. Packed with essential vitamins and minerals.
- **Sustained Energy Release:** Being a complex carbohydrate, it provides a slow and steady release of energy, keeping you full and active for longer periods and preventing unhealthy snacking.
- **Versatile Kitchen Ingredient:** Perfect for preparing a variety of dishes beyond the classic upma, including delicious dalia khichdi, sweet porridge (daliya kheer), soups,

and even as a healthier substitute for rice.

- **Trust of Swastik:** A product from the house of Swastik, a brand trusted by millions of Indian households for its consistent quality and purity for decades.
- **Convenient 2kg Pack:** The large 2kg bag is economical and perfect for regular use, ensuring your pantry is always stocked with a healthy meal option.
